

The History of The National Association of Wedding Professionals, Inc.

The National Association of Wedding Professional, Inc. is the first Association to cover all aspects of the wedding industry with a particular focus on education for the membership and consumer.

It was founded in March of 1989, in Southwest Florida, as the Southwest Florida Bridal association of Wedding Professionals, Inc. and then incorporated into The National Association of Wedding Professionals, Inc. in May of 1993. It is a not-for-profit organization designed for businesses that service the wedding industry and all related aspects of those wonderful events that one celebrates during a lifetime. We recognize the important of high standards and professional image. Our goal is to create, promote, and maintain integrity among our members and the community.

We are a cooperative group of professionals dedicated to providing superior products and services to those we have the honor to serve. Whatever the occasion or event that comes along life's way, we are here to help create a lasting memory for those seeking our assistance.

All members of NAWP will continue to strive for "The Best" in all we do. (We welcome all suggestions on how we may be of service to you). There are two chapters in the Southwest Florida area; one based in Ft. Myers and one in Naples. There are also chapters in Miami, North Carolina, South Carolina and New York. We welcome inquiries in starting new chapters, or joining one of our existing chapters. We also welcome input from the general public on what topics you may wish us to cover in our education seminars. You may contact us via the website at www.nawp.com.
